PROFILE

As a recent graduate with a Bachelor's degree in Information Technology and a passion for web development, excited to kick start my career as a Laravel developer. My academic foundation and hands-on experience have equipped me with the skills and knowledge required to create robust and efficient web applications.

WORK EXPERIENCE

MGHS Services | Tarlac City, Tarlac

WordPress Developer Intern (Back-end) | May 2022 to August 2022

- Worked with a team of developers to develop a website using WordPress.
- Tested web pages for functionality and usability, including conducting user testing sessions with customers or clients.
- Analyzed data to determine how effective certain marketing efforts have been in driving sales or increasing brand awareness.
- Maintained and updated existing websites by adding new content and deleting outdated content.
- Communicated with teams of programmers, designers, marketers, and other staff members to coordinate the development of new projects.
